YMCA Camp Gorham

CHECK IN & CHECK OUT

Sunday Check-in

Check in will begin at 1:30 PM and concludes at 3:00 PM. We encourage families to arrive as early as 12:30pm to take advantage of the jumping pillow, camp store, and bathroom facilities that will be open. Please note that you will be asked to park your car at our main gate until check in officially starts at 1:30pm. Please remember Camp Gorham does not allow pets on property, even on opening day. If you are planning on arriving after 3:00 PM please contact the camp office, 1-888-518-5671. Please plan one hour for check in. After meeting the Executive Director, you will be directed either to the office, Health Lodge or your child's cabin. If directed to the office, you must stop there first to complete the necessary paperwork for your child to attend camp.

Upon arrival at our front gate you will:

- Meet the Executive Director, Jackie Rudolph
- Meet the Camp Program Director, Kelsey Nobis
- Receive your camper's security pass
- Be asked if your camper has a cell phone and to take it home if so (please see our cell phone policies)
- Receive your camper's cabin, table family and specialty track assignments (this will also be emailed to you in advance)
- You then will be directed to your camper's cabin; you may drive slowly to their cabin

At the office you will:

- Meet the Director of Administration
- Complete any needed paperwork
- Open your camper's store account if not done in advance
- Settle a balance

At the Health Lodge:

- Meet with the Nurse, turn in your camper's medications in the original container

At the cabin you will:

- Meet your child's great counselors
- Share your expectations
- Unload your child's gear (actual bed will be picked by campers once all children in the cabin have arrived)

Security Pass

A security pass is issued to each camper parent at check-in with cabin assignments. The security pass will have listed those listed as contacts for the child. This pass and photo ID must be presented to your camper's counselor by one of the people listed on the pass at check out in order for your camper to be released. By giving this card to someone else, you are authorizing him/her to pick up your child. Parents without a security pass need to report to the health lodge with identification to be positively identified before picking up their camper at their cabin. At the front gate you will be asked to present your security pass/ID and then you will give it to the cabin counselors who will check it as well.

Saturday Check-out (Except for Camp Corral which runs Sunday – Friday, check out July 3rd 10:00 AM – 12:00 PM)

Check out is between **10:00 AM – 12:00 PM** on July 18, August 1, August 15, and August 22. If you need to make special pick up arrangements, please call the camp office. Campers will be waiting in their cabins.

Please plan to spend approximately one hour at check out. The process includes:

- Greeted by the Camp Program Director at the main gate.
- Parents present security passes with photo id at the front gate and at the camper's cabin for the campers they are picking up. If parents do not have the pass they will report to the health lodge at Oak Hall with photo id.
- Pick up child and belongings at the cabin.
- Camp Store will be open for purchases. Unused camp store balances will be donated to our Annual Campaign for camper scholarships.
- Lost and Found will be displayed at the dining hall.
- Pick up any medications at the health lodge.
- Our Executive Director and Camp Gorham invites families for a family barbecue at our dining hall from 10:30 am to 12:00pm.
- Camp's water skiing and equestrian programs will be available for campers wishing to show parents their new skills.
- Stop at the Camp store to pre-register for Summer 2021!

Mid-session check out: July 11, July 25, August 8

- Arrive at camp at 9:00 am with your security pass
- You will pick up your camper at the main office – give your security pass to the counselor and your photo ID

- If you forgot your security pass you will go to Oak Hall and our nurse will check your photo ID with your emergency contact information;
- Visit Oak Hall to pick up any medications
- Stop at the Camp store for purchases and to pre-register for Summer 2021!

Camp Week

- Our camp sessions run from Sunday afternoon to Saturday morning. *Except for Camp Corral which runs Sunday – Friday.* Campers may register for the Saturday night stay-over at no charge if they wish to stay for an additional session. Any camper who is staying for consecutive sessions will automatically be charged a laundry fee of \$22. Stay-over is not available between Camp Corral and Session 1.

If you have any questions or concerns, please call. Communication is very important to us. We like to hear from you.

Camp T-shirt & Water Bottle

All campers will receive a Camp Gorham t-shirt as part of registration. The camp T-shirt will be given to each camper after check in. Those campers attending our Saturday overnight program will receive a water bottle at that time. Water fountains can be found around camp for use during in camp activities.

Cell Phone Policy at Camp Gorham

Camp Gorham is a cell phone free zone. We believe in unplugging and connecting with nature, each other and Gorham's staff. All campers will be asked at check in with their parents if they have a cell phone, then it will be sent home with the parents. Any camper cell phone found at camp will be turned into the main office and returned at the end of the session. Camp Staff is not permitted to exchange cell phone information with campers.

Communications

We encourage parents to write letters to their campers. Mail is delivered to campers each day in the afternoon. Not hearing from your child probably means they are having a great time! For younger campers it is a good idea to send preaddressed and stamped envelopes to ensure delivery home.

Letters should be addressed in the following manner:

Camper name – Cabin name
 Camp Gorham
 265 Darts Lake Road
 Eagle Bay, NY 13331

E-mail: Bunk1.com is a service that allows parents to send one-way e-mail to campers daily. Please visit the Bunk1 website to set up an account. Information and passcode will be distributed at check-in. Emails from Bunk1 are batched each evening around midnight and emailed to camp the following morning. Camp then prints the emails and passes them out late afternoon with the regular mail and other packages that are received that day. If you request a reply from your camper, please note that we encourage your campers to write back and there is a time delay between when you send the email, when we deliver it to your camper and when they return the response. Please allow 24-36 hours for a response if your camper chooses to respond.

Pictures: New in 2020 photos will be uploaded to Campsite. Facial recognition is available and requires that you upload a photo of your camper on their profile page. No additional log in is required for you to view the photos. You may download copies of the photos to your computer at no additional charge. In addition, each day we will upload photos or video of the day to Facebook.

ACA Accreditation

Camp Gorham is proud to be an American Camp Association (ACA) accredited camp. The ACA nationally recognizes over 400 high standards in health, safety, and program quality.

CHA Accreditation

Camp Gorham's equestrian program and facility are accredited by the Certified Horsemanship Association (CHA). The CHA provides the accepted Standards for Equestrian Programs. CHA requires accredited members meet standards for safety, education and animal welfare through a detailed process which examines the site, program content, staff qualifications and equine management.

Camp Inspection

Camp Gorham is licensed to operate as an overnight camp by the New York State Department of Health. Camp is inspected three times annually. Reports are filed with the Herkimer County Department of Health, as well as Camp Gorham.

CAMP PREPARATION

What to Pack

Please review the following list as you make decisions about packing for camp. ***This list is based on a 2-week stay at camp. Camp Structure

Camp Gorham campers are divided into Villages, based on age and gender of camper. Each Village has a color; campers are encouraged to bring clothing in their villages color for special events at camp.

- Adirondack: Girls ages 7–12 • Village color = Green
- Frontier: Girls ages 13–16 • Village color = Yellow
- Big Moose: Boys ages 7–12 • Village color = Red
- Lumberjack: Boys 13–16 • Village color = Blue
- Teen Adirondack Guides: Co-ed aged 14- 15 • Village color = Tie-Dye Black (campers will be given a logo white shirt to dye)
- Xtreme TAG: Co-ed aged 15 – 16 Village color = Tie-Dye (campers will be given a logo white shirt to dye)
- Counselor in Training: Co-ed aged 16–17 • Village color = Tie-Dye (campers will be given a logo white shirt to dye)
- Adventure Trips: Co-ed 13–16

(Frontier/Adirondack campers may be housed in Waterfront cabins or our High Peaks Village.)

Our staff-to-camper ratio is age specific according to American Camping Association and NYS Health Department guidelines.

Forms

Please complete and return all forms prior to **May 1, 2020** by following the instructions in your Parent Dashboard. Here you can track what you have submitted and what is missing. These forms are required for every camper attending camp and must be updated annually. We strongly suggest making a copy of all forms. Please follow the instruction in your Parent Dashboard for submitting forms electronically. All forms are also available as a pdf file on Camp Gorham's website: campgorham.org.

1. 2020 Medical Health History & Exam (submit web form using your Parent Dashboard and upload one-page pdf using form provided) **The ACA requires a physical within 12 months of your child's last day of camp.** This form must be completed and signed within 12 months by the camper's parent/guardian and a licensed medical professional. **Your physician must authorize both prescription AND over the counter medications. ALL CAMPER'S MUST ALSO PROVIDE AN OFFICIAL IMMUNIZATION HISTORY FROM THEIR HEALTH CARE PROVIDER.**

2. 2020 Parent Confidential Form (submit electronically using your Parent Dashboard)

Please try to answer all questions as thoroughly as possible. We will use this information to provide the best possible experience for your child. All information is kept confidential. Please feel free to discuss any specifics with your camper's cabin counselor or Unit Director at check-in.

Health & Safety

We have a well-equipped Health Center on site with a RN or LPN in charge of medications and first-aid needs 24 hours a day. To speak with our nurse on duty call 315-357-6401.

Parents will be contacted if a camper has an injury or illness that: requires staying in the health lodge for an extended period; needs medical care more than a band-aid; requires stitches; requires treatment or hospitalization at an off-site health care facility; has a fever; or that in the judgment of the Executive Director, Camp Program Director or Camp Nurse necessitates parental notification.

Medications: Medications **must** be in original manufacturer's packages or we cannot dispense. **Please place all medications your camper is bringing (prescription and over-the counter) in a zip-lock bag with your child's name clearly marked on it. Your physician must authorize both prescription AND over the counter medications.** Those whose campers are riding the bus to camp are asked to give their medicine bag to the Gorham staff-member assigned to the bus. Please make sure your child's prescription will last throughout your child's entire stay. All medications are kept locked in our Health Center. However, campers requiring an inhaler for breathing ailments or an Epi-pen for allergies are allowed to keep these items with them. **These are the only exceptions and require a physician's order. All medications should be picked up at the infirmary on the last session day.** By law, we are not allowed to keep camper medications for more than 24 hours after his/her departure. If your camper is riding the bus back to Rochester or Syracuse, please pick up your child's medications from the Gorham staffer assigned to the bus. Parents are contacted by our health care staff if a camper's illness or injury requires treatment by a physician. Please contact the camp office with any questions on your medical forms.

Campers with allergies requiring an Epi-pen or needing immediate medical treatment in case of exposure will be given an allergy alert bracelet after check in by the nurse so that they may be identified easily by all staff for the safety of the camper. If you have any questions, please contact our office.

IMPORTANT: If you plan to be away during your child's stay at camp (i.e. vacation, business trip), please attach a separate page listing your itinerary (with dates of travel and phone numbers where you can be reached) and/or the names and phone numbers of 1 or 2 family members or friends who would be able to make decisions regarding your child's health in an emergency situation.

Cabin Mate Requests

Camp is about friendships, both new and old. In order to create harmonious cabin groups, we strive to mix campers so that they all have opportunity to make new friends. Camp Gorham will honor one mutual cabin mate request and the campers ages are no more than 1 year apart. Please note we will not accept multiple cabin mate requests.

Food Brought by Campers to Camp

Camp Gorham does allow campers to bring or receive food in care packages. We ask that parents help us teach healthy lifestyles by not sending tons of sugary snacks, sodas or candy to camp. We find that having "junk food" readily available is how campers will choose to fill their bellies rather than with Camp's healthy meals. Having proper nutrition during Camp's busy days is important. All camper-brought food will be stored in camp cabins; thus, the quantities should remain at single portions or enough to share within the cabin. There is no refrigeration in the cabins. **Glass containers and gum are not permitted at camp.** The camp reserves the right to remove food from cabins; parents will be contacted should this occur. Please remember campers are very excited to receive care packages. If a parent is reluctant to send a package, campers have been known to send messages home that they are "starving" to receive goodies. Please trust that camp is feeding healthy filling meals, but if a parent does have a concern they are encouraged to call camp regarding our food service.

CAMP LIFE

Elective Choices

Elective period schedules are based on each camper's preference, skill level and ages. **Campers indicate their elective preferences on line prior to coming to camp.** Campers participate in 3 elective periods for 5 days.

Campers may register for camp's water ski or horse-riding lessons. These programs provide five lessons during an activity period in either the morning or afternoon. (Additional fees apply.) Campers registering for horse riding **MUST** bring riding boots/shoes with pronounced heel and long pants that come to the ankle for riding. Lessons are 1 hour with equestrian staff. After assessments, riders are grouped into beginner, intermediate and advanced classes. Riding helmets are provided. No special equipment is necessary for our water ski lessons; waterski participants must pass our swim test.

Weekends

Weekends are a special time at Camp Gorham where campers will participate overnight Adirondack Adventures and our "Sunday Fun Day" carnival and dance!

Saturday Adirondack Adventure Overnights

On Saturday's during two-week sessions, all campers participate in an overnight adventure, so they can fully explore Camp Gorham and the Adirondacks. Typical adventures include kayaking, swimming and hiking. Campers with trained staff cook their own dinner and breakfast out on our beautiful property. Generally, younger campers will sleep in wooden shelters and older campers in tents (supplied by camp).

Camp Store

Parents may set up a store account for their camper by completing a store form and returning to camp by May 1, 2020. An amount of between \$40-\$70 is generally sufficient for a two week stay. Each camper will have the opportunity to visit the store at least once each week. Items that may be purchased are sweatshirts, t-shirts, novelty items, small toiletry items, ice cream, variety of snacks and more. Unused balances are not refundable and will be donated to our Annual Campaign for camper scholarships.

Staying true to our Adirondack roots, Camp Gorham again will be offering our very own Pack basket "GPB" (Gorham Pack basket) for \$40. The "GPB" is the perfect care package for your camper which includes at least 6 items that are specific to the "GPB" and not available in the camp store. The camper will receive the "GPB" on the first day of camp and all the items were specifically chosen as they can be used at camp and at home.

Laundry

All campers staying for two weeks regardless of the session combination should bring two weeks' worth of clothing. All campers staying for a changeover will be charged for laundry services and their laundry will be done. Please mark all your child's belongings clearly with their full name. In the case of accidental soiling of clothing or bedding, camp will ensure it is fully cleaned at no additional charge.

Meal Choices

Camp will provide a family style main meal for breakfast, lunch and dinner with a vegetarian option for each meal. Camp also can ability to provide gluten free options and vegan options. At breakfast there will also be a breakfast bar that includes Cereal, yogurt, veggies for eggs, and fresh fruit. At lunch there will be a sandwich and salad bar and soup. At dinner, a salad bar and soup will be available. Milk and juice are available at breakfast. Water and milk will be served at lunch and dinner. Camp also provides a sun butter and jelly option at lunch or dinner. Our main goal is to provide healthy eating for our campers, so they may be energized for their day. If you have specific dietary needs, please reach out us and we would be happy to share menu.

Special Diets

For campers with special food needs, please call camp by June 1, 2020 to discuss with camp staff. Campers that require specific foods may be asked to bring their own meals which can be prepared by Camp Gorham kitchen staff.

Snacks

Fruit is available at the Dining Hall throughout the day.

Visitors

We welcome camper visitors on opening and closing days of each session. If you would like to visit camp while camp is in session, please call our office to make arrangements. If a family has one child staying a week and the other child staying for a two-week session Camp Gorham recognizes the opportunity to visit your child who is staying. **It is very important that you contact us in advance, so your child is available to visit. Saturday is our overnight program day and some campers have already left on their experience which can take up to an hour to retrieve them back to main camp. Simply email or call our Associate Executive Director to arrange for a quick visit during one week check in.**

Lost & Found

Lost & Found items are held up each day before lunch for camper to claim. Please label all items for a successful return. Lost & Found accumulated throughout the week is displayed at the dining hall during check out. Please visit this area with your child prior to check out. All items unclaimed are donated to charity one month after the last day of the camp season.

Homesickness

Homesickness is natural for a child when they are out of their comfort zone. Staff are trained to help each camper have a positive and memorable experience while encouraging campers to get involved with all the wonderful activities at camp. Our Head of Campers will keep parents informed of extreme cases of homesickness but encourage parents to allow their camper space to overcome this feeling. Overcoming obstacles and reaching accomplishments is a huge part of camp life.

If parents are having a difficult time being away from their camper, they may call the Camp Office and arrangements will be made for one of the Assistant Program Directors to check on the camper. Campers are discouraged from calling home during our camp experience. Should a camper request to call home it will be discussed with one of the Assistant Program Directors. Typically, one of the Assistant Program Directors will call home without the camper present to discuss with parents prior to a call. Campers are not permitted to have cell phones at camp. Parents are encouraged to call or email camp to check in on their campers and staff will update them.

Showering at Camp

Camp life is fast paced, and we keep our campers busy each day. Cleanliness of our camp and campers is important to us. Campers will have an opportunity to shower at least every other day at camp. Campers staying in the lodge or High Peaks Village have showers in their cabins while all other campers use centralized shower houses with private shower/changing stalls. Shower schedules are posted for campers and staff. If for some reason a cabin group needs to shower on a non-scheduled day due to a particularly muddy or hot activity accommodations will be made. Please prepare your child for this schedule of every other day showering.

FINANCIAL

Financial Assistance

Camp Gorham's financial assistance program is made possible through generous donations to the YMCA Annual Campaign. Applications for assistance are confidential and available on the Camp Gorham website or by calling the office. The amount of assistance granted is based on individual need and family circumstance. All camper financial assistance applications are processed on a first come, first serve basis. To be considered for financial assistance, please submit the camp registration form and the financial assistance form along with a \$75 deposit. Payment plans can be established by calling the camp office. All requests are asked to be made by May 1, 2020 with a two-week processing time. Additionally, Camp Gorham understands the importance of making camp accessible for all. **Again, in 2020 we now offer free bus transportation from Rochester or Syracuse for campers receiving financial assistance.**

The Easy Payment Option

The Easy Payment Option (EFT) is the preferred billing method for Camp Gorham. Simply provide a credit or debit payment method and tuition will be automatically paid on June 1, 2020. This payment method is required unless alternate arrangements are made with your Associate Executive Director.

Monthly Payment Plan

Enroll online for monthly payment options – your account will automatically be billed on the 15th of each month beginning Jan 15th. A 15% non-refundable deposit is still due at the time of registration.

Flexible Payment Plans

You may make interim payments in any amount you wish as long as the final balance due is paid in full by June 1, 2020. To set up a flexible payment plan, please contact the Camp Office. State your child's name, camp and session number(s) on all checks. Your cancelled checks and/or credit card statements are your confirmation that payment has been received. A \$25 service fee will be charged for returned checks.

Changes in Registration

Parents are responsible for informing the camp office in writing or e-mail all changes to camper registration and updating contact details including itineraries and address/phone numbers. Personal information may now also be updated by families utilizing the Parent Dashboard.

Cancellations & Refunds

The 15% registration deposit and \$80.00 non – member fee are neither refundable nor transferable to any other YMCA program. EXCEPTION: Fees can be applied when a camper is switching from one session to another session at Camp Gorham. Room and board fee refunds due to illness or injury require written verification from a physician. If a camper is sent home by a licensed physician, a refund will be made for the remaining days of that camper's session. A camper will be sent home at parent's expense with no refund if they possess, use and/or sell alcohol, drugs, tobacco product or if a camper's behavior becomes so disruptive as to disturb the experience or endanger the physical safety of the other campers. There is no refund for a child who leaves camp early due to homesickness, due to a conflict in the family's schedule or simply decides not to participate in the entire session.

Behavioral Policy

We have high, but reasonable, expectations about our camper's behavior. If a child's behavior becomes as disruptive as to endanger their own physical or mental safety (i.e., sneaking out of their cabin), the safety of other campers **(the YMCA has a zero-tolerance policy for violence and**

destruction of other's property), the Executive Director may deem it necessary to remove him/her from the program. We seek to follow these steps when handling discipline at camp:

First Offense: Behavior is discussed between camper, counselor and Village Head. Desired behavior and expectations of camper are discussed; consequences of further negative behavior are clearly spelled out. Staff Leadership will call home to let parents know of the situation.

Second Offense: A meeting between camper and one of the Directors is conducted. Identification of negative behavior is made, and the camper is informed that any subsequent actions will result in camper being sent home. A phone call is made by the one of the Assistant Program Directors to the camper's parent/guardian explaining behavior and result if said behavior continues.

Third Offense: A meeting with camper, Camp Program Director and Executive Director. An incident report is filled out and the camper's parent/guardian is notified to pick up child immediately.

PLEASE NOTE: Possession, use and/or sale of alcohol, drugs, and tobacco products will be cause for immediate dismissal from camp. Campers who exhibit extreme negative behavior towards other campers or staff will be dismissed from the program at the camp's discretion. There is no refund for campers leaving camp due to disciplinary reasons or homesickness.

TRANSPORTATION – Rochester AND Syracuse

Bus transportation is offered to and from the Carlson Metro Center YMCA, 444 East Main St, Rochester, NY with a stop to pick up campers from the Syracuse area at the North Area Family YMCA located at 4775 Wetzel Rd, Liverpool, NY 13090 on the opening and closing day of each full session. Please note that return transportation is not available for session 1a, 2a and 3a.

Opening Day (Sunday)

The bus will depart from Carlson Metro Center YMCA, at 10:15 AM on opening day (Sunday) of each session. Check-in begins at 9:15 AM. The bus will arrive at the North Area Y at 11:45 AM and depart for Camp at 12:15 PM. **PLEASE NOTE:** The Gorham staff members assigned to the bus will issue security passes to parents/guardians of campers at that time as well as collect any overdue paperwork and medications your child needs while at camp. (See Health & Safety, pg. 3.) The bus arrives at Camp Gorham at approximately 2:30 PM. A sun butter and jelly sandwich with a piece of fruit will be given to each camper on arrival. Parents may feel free to pack a lunch for their child to eat on the bus as well.

Closing Day (Saturday)

The bus leaves Camp Gorham between 8-8:30 am; Arrive at the North Area Y at 10:30; Depart for Rochester at 11:00 and arrive at the Carlson Metro Center between 12:30 & 1:00 pm on closing day of camp (Saturday). Parents, or their designees, must present the Security Pass along with proper identification to the staff member assigned to the bus before the camper is allowed to leave. Any medications your child has brought to camp with him must also be picked up from the assigned Gorham staffer at that time (see above*). **NOTE:** You may call camp at 315-357-6401 to check on the arrival time. If the bus is significantly delayed for any reason you will be called from camp.

Important Transportation Information

The Camp Gorham bus runs round-trip for our two-week sessions (sessions 1, 2, 3, 4). Two Camp Gorham Staff Members always accompany campers on the bus and stay with the children until they are dropped off at camp or picked up in Rochester. **2020 bus rates are \$45 one-way/\$70 round trip to make camp accessible for all. Space is limited and assigned on a first come basis.** Storage of luggage on the bus is limited and we ask that those riding the bus pack accordingly. (One large suitcase and one carry on are recommended.) When picking your camper up, please don't forget all your child's belongings. Any medications must be retrieved from the Camp Gorham staff member. Lastly, transportation will be on a school bus with a stop at Syracuse from Rochester to Camp where campers will have the opportunity to use the restroom and stretch their legs.

Airport Transportation Information

Round trip transportation is available from Syracuse Hancock International Airport. Please contact the camp office to arrange for airport pick-up and/or drop-off. Our staff is available for pick-up/drop-off on Saturdays between 2:30 and 6:00 pm. Incoming campers should plan on arriving the day before their session begins; departing campers will leave on the last day of their camp session. The fee for airport transportation is \$390.00 per camper round-trip. Please contact the Camp Office to prior to purchasing airline tickets to confirm the times staff are available for pickup/drop off.
